INFORMATION CONCERNING
(INTERNAL SECURITY)

On 1/31/63 JIMMY GEORGE/ROBINSON, Route 1, Garland, Texas, made available the following letter which he received from a source he refused to disclose.

mimeographed

This letter read as follows:

"Lt. Gen. P. A. del Valle
41 Cornhill Street
Annapolis, Maryland

14 September, 1961

"When a free and sovereign people find their elected servants in government, and their appointed advisors, following a course of action contrary to their oath of office, destructive of the Constitution they have sworn to uphold, and leading relentlessly to the loss of their freedom and their sovereignty, they must perforce take the most effective action to restore sane, constitutional government, or perish as a free and sovereign people.

"A government that aids and abets the enemies of freedom at home and abroad; recklessly spends the substance of the nation in the purchase of votes and in the pursuit of a pro-communist policy; punishes patriots who dare defy the communist enemy they are trying to shield, while giving positions of power and pelf to those traitors who give aid and comfort to this enemy; employs the power of the press and all other communications media to deceive the people as to their real aims and objectives; behaves as though this nation were already but a province of the illegally joined United Nations; is willing or unable to meet the constant flow of crises provided by an arrogant enemy, yielding piece by piece the entire world into their ruthless hands; shows every sign of having yielded their powers to an unseen, irresponsible and thoroughly rapacious government within the government; then even the bread and circuses no longer can hold the people in check. They must take matters into their own hands and force the traitors out of power and oblige their elected representatives to honor their oath of office.

ENCLOSURE

"In such case there are several courses of action open to the people. Political organization to vote out the traitors and vote in the patriots is one. Pressure by personal appeals, petitions, letters and telegrams is another. But the time comes when the enemy, feeling strong and secure enough, shamelessly ignores these efforts of the people, and makes ready to replace constitutional government with socialistic tyranny openly and quickly. Then there is yet another course of action left: The organization of a powerful, armed resistance force to defeat the aims of the usurpers and bring about a return of constitutional government.

"The formation of such a nation-wide force, under the second article of the Bill of Rights, and for the legitimate purpose of preventing a communistic takeover of their beloved country, with the total loss of their freedom, cannot fail to bring into being again that sovereignty which, under our form of government, is based upon the people. Government rules by the consent of the governed, and, when the governed refuse further to consent to being betrayed, then beware! Those in government who have been loyal need have no fear. But when the day comes that the people, in the exercise of their constitutional rights and sovereignty once more take up arms as they did in 1776, then must the traitors take flight. For the wrath of a free and mighty people, a God fearing people, against atheistic tyrants can be terrible and swift. I pray to God that courses one and two will suffice, but if they do not, then I pray to God that this last instrumentality be given His grace to discharge our obligation to defend those sacred rights He, and He alone, gave unto us."

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On June 24, 1963, the facts of this case were discussed with CHARLES D. CABANISS, Assistant U. S. Attorney for the Northern District of Texas, Dallas, Texas, who advised that it would appear there were no substantial ground for a violation of civil rights act.

Dallas files reflect that THERAN M. WARD, when a police officer of the Garland, Texas, Police Department in 1961, struck one CHARLIE ELBERT JONES, a prisoner of the Garland Police Department, when JONES pulled a knife on WARD. Dallas files reflect that JIMMY GEORGE ROBINSON is the self-admitted organizer of the National States Rights Party at Dallas, Texas, and has been arrested for burning a cross in front of a private residence in Richardson, Texas, on January 20, 1963, and on June 11, 1963, picketed the Federal Building, Dallas, Texas, with a sign reading "Send troops to Cuba, not Alabama."

A characterization of the National States Rights Party is attached.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 251, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

DETAILS:

This is a limited investigation.

Date 6/25/63

JIMMY GEORGE ROBINSON, 200 Second Avenue, Garland, Texas, was interviewed and furnished the following signed statement:

"Garland, Texas
June 24, 1963

"I, Jimmy George Robinson, make the following voluntary statement to James P. Hosty, Jr., and Donald J. Cesare, who have identified themselves to me as Special Agents of the F.B.I. I have been advised that this statement may be used in a court of law. No force, threats, or promises were used to obtain this statement.

"I was born June 24, 1938, Bonham, Texas. I completed eighth grade in school.

"On June 20, 1963, I was arrested by the Garland, Texas, police for assaulting my wife, Pauline Robinson. I was arrested at 9:35 AM, and released at 2:00 PM. I later learned from my half brother Donald Kaiser that at about 1:30 PM, two Garland police officers and one Garland detective, names unknown, accompanied my wife to our residence at 200 Second Ave., Garland, Texas.

"The Garland Police then searched my office and removed some of my literature I had concerning racial integration and the Jewish conspiracy. They also took my membership list for the National States Rights Party. I am the organizer for the National States Rights Party in the Dallas, Texas, area.

"My office is a separate building behind my house. The National States Rights Party rents this office from me for one dollar a month. My wife had no right to let the police search this office as it was not under her control. My membership list was returned, but they kept my literature. They also took pictures of my office and some of the signs I had.

"I feel that my civil rights have been violated because the Garland Police searched the office of National States Rights Party, of which I am the head in the Dallas area, without my consent.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On June 24, 1963, the facts of this case were discussed with CHARLES D. CABANISS, Assistant U. S. Attorney for the Northern District of Texas, Dallas, Texas, who advised that it would appear there were no substantial ground for a violation of civil rights act.

Dallas files reflect that THERAN M. WARD, when a police officer of the Garland, Texas, Police Department in 1961, struck one CHARLIE ELBERT JONES, a prisoner of the Garland Police Department, when JONES pulled a knife on WARD. Dallas files reflect that JIMMY GEORGE ROBINSON is the self-admitted organizer of the National States Rights Party at Dallas, Texas, and has been arrested for burning a cross in front of a private residence in Richardson, Texas, on January 20, 1963, and on June 11, 1963, picketed the Federal Building, Dallas, Texas, with a sign reading "Send troops to Cuba, not Alabama."

A characterization of the National States Rights Party is attached.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 251, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

INFORMATION CONCERNING

On 1/31/63 JIMMY GEORGE/ROBINSON, Route 1, Garland, Texas, made available the following letter which he received from a source he refused to disclose.

mimeographed

This/letter read as follows:

"Lt. Gen. P. A. del Valle
41 Cornhill Street
Annapolis, Maryland

14 September, 1961

"When a free and sovereign people find their elected servants in government, and their appointed advisors, following a course of action contrary to their oath of office, destructive of the Constitution they have sworn to uphold, and leading relentlessly to the loss of their freedom and their sovereignty, they must perforce take the most effective action to restore sane, constitutional government, or perish as a free and sovereign people.

"A government that aids and abets the enemies of freedom at home and abroad; recklessly spends the substance of the nation in the purchase of votes and in the pursuit of a pro-communist policy; punishes patriots who dare defy the communist enemy they are trying to shield, while giving positions of power and pelf to those traitors who give aid and comfort to this enemy; employs the power of the press and all other communications media to deceive the people as to their real aims and objectives; behaves as though this nation were already but a province of the illegally joined United Nations; is willing or unable to meet the constant flow of crises provided by an arrogant enemy, yielding piece by piece the entire world into their ruthless hands; shows every sign of having yielded their powers to an unseen, irresponsible and thoroughly rapacious government within the government; then even the bread and circuses no longer can hold the people in check. They must take matters into their own hands and force the traitors out of power and oblige their elected representatives to honor their oath of office.

"In such case there are several courses of action open to the people. Political organization to vote out the traitors and vote in the patriots is one. Pressure by personal appeals, petitions, letters and telegrams is another. But the time comes when the enemy, feeling strong and secure enough, shamelessly ignores these efforts of the people, and makes ready to replace constitutional government with socialistic tyranny openly and quickly. Then there is yet another course of action left: The organization of a powerful, armed resistance force to defeat the aims of the usurpers and bring about a return of constitutional government.

"The formation of such a nation-wide force, under the second article of the Bill of Rights, and for the legitimate purpose of preventing a communistic takeover of their beloved country, with the total loss of their freedom, cannot fail to bring into being again that sovereignty which, under our form of government, is based upon the people. Government rules by the consent of the governed, and, when the governed refuse further to consent to being betrayed, then beware! Those in government who have been loyal need have no fear. But when the day comes that the people, in the exercise of their constitutional rights and sovereignty once more take up arms as they did in 1776, then must the traitors take flight. For the wrath of a free and mighty people, a God fearing people, against atheistic tyrants can be terrible and swift. I pray to God that courses one and two will suffice, but if they do not, then I pray to God that this last instrumentality be given His grace to discharge our obligation to defend those sacred rights He, and He alone, gave unto us."

On June 24, 1963, the facts of this case were discussed with CHARLES D. CABANISS, Assistant U. S. Attorney for the Northern District of Texas, Dallas, Texas, who advised that it would appear there were no substantial ground for a violation of civil rights act.

Dallas files reflect that THERAN M. WARD, when a police officer of the Garland, Texas, Police Department in 1961, struck one CHARLIE ELBERT JONES, a prisoner of the Garland Police Department, when JONES pulled a knife on WARD. Dallas files reflect that JIMMY GEORGE ROBINSON is the self-admitted organizer of the National States Rights Party at Dallas, Texas, and has been arrested for burning a cross in front of a private residence in Richardson, Texas, on January 20, 1963, and on June 11, 1963, picketed the Federal Building, Dallas, Texas, with a sign reading "Send troops to Cuba, not Alabama."

A characterization of the National States Rights Party is attached.

**NATIONAL STATES RIGHTS PARTY
(NSRP)**

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 251, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.
